Peterborough Soup Kitchen, is a registered charity and has been running for **26 years**. We serve hot soup, sandwiches, cakes and hot & cold drinks to the between **35 and 75** homeless and disadvantaged of the city. This is done **6 days per week**.

The charity is run **100%** by over **150 dedicated volunteers**, who prepare the food and drink and serve it from the back of a van, at a city centre location. The food that we serve is **vital** to the **well being** of those who receive it.

We survive on **donations and support** from the public, institutions and companies where **all the funds** go into providing its services.

Peterborough Soup Kitchen needs to constantly fund raise to bring in the necessary money to deliver its services. The charity needs to raise **£18,000** to buy a new van, as its present van is old and in need of replacement. We have raised about **£6,000** so far but the funds raised from Fratellis Restaurant will be an important part of our target.
