## **Fratelli's Restaurant Closed in May for Redecoration**

### **Re-Opens on Friday 1<sup>st</sup> June**

Please note that Fratelli's in Bourne will be closed for the remainder of the month of May for redecoration following a small fire on the premises on Friday May 11, 2007.

The restaurant sustained smoke and soot damage in the fire which started as a result of a discarded cigarette in a rubbish bin. The fire started after business hours and was spotted immediately by Fratellis staff who called the local fire brigade.

The 12-bedrooms in the Angel Hotel are unaffected and the hotel's Ostler Coffee Shop continues to trade as normal. While the redecoration occurs, the Angel Hotel's reception desk for the hotel has been temporarily relocated to the Ostler Coffee Shop.

Fratelli's kitchen will re-open ahead of the restaurant on Saturday 19 May, 2007. This will enable customers to enjoy the full Fratelli restaurant menu from the Ostler Coffee Shop during the period Saturday May 19, 2007 – Friday June 1, 2007.

Fratellis will formally re-open in the newly redecorated main restaurant on Friday June 1, 2007 and all customers will be offered a complimentary glass of Prosecco on the re-opening evening.

## **Fratelli's Bourne Clearing-up After Small Fire**

*Restaurant undergoing redecoration; business as usual for hotel and coffee shop*

Fratelli's, the popular Italian restaurant at The Angel Hotel, Market Place in Bourne, will be closed till Friday June 1, 2007 for redecoration following a small fire on the premises last week.

The 55-seat Italian restaurant sustained smoke and soot damage in the fire which occurred at around 11.45pm on Friday May 11, 2007. A discarded cigarette in a rubbish bin is believed to be the cause of the incident.

The fire which was spotted immediately by Fratelli's staff was attended by the fire brigade from Grantham.

Commenting, Philip Femminile, owner of Fratelli's and The Angel Hotel, said: 'Thankfully the fire was small and contained and the restaurant had already closed for the evening. My staff acted calmly and quickly and the firemen were fabulous. The only real property damage is from smoke and soot. We are going to take the opportunity to redecorate and on re-opening night we will be offering all customers a complimentary glass of Prosecco to say thanks for their support and encouragement'.

The 12-bedrooms in the Angel Hotel and the Ostler coffee shop are unaffected by the damage.

Fratelli's kitchen will re-open ahead of the restaurant on Saturday 19 May, 2007. This will enable customers to enjoy the full Fratelli restaurant menu from the Ostler coffee shop during the period Saturday May 19, 2007 – Friday June 1, 2007.

Fratelli's, which opened in Bourne in 2006, also has restaurants in Stamford, Castor and at The Key Theatre in Peterborough.
